

The Maine Brain Aneurysm Awareness Committee is pleased and proud to announce two new Scholarships have been established at the University of New England to be awarded at the conclusion of the 2016/17 school year.

“The Maine Brain Aneurysm Awareness Scholarship in Memory of UNE Grad Kimberly A. Tudor” to be awarded to a University of New England third year undergraduate student who has:

1. Personally experienced or has a close family member who has experienced a brain aneurysm
- or 2. Engages in public outreach regarding brain aneurysm or other brain injury awareness and prevention
- or 3. Is interested in a career helping those who’ve suffered brain aneurysm or other brain injuries
- or 4. Is majoring in a field relevant to brain aneurysms or other brain injury.

“The Maine Brain Aneurysm Awareness Scholarship in memory of Karolina A. Kurka” is awarded to a University of New England Master of Science in Occupational Therapy student who has: 1. Personally experienced or has a close family member who has experienced a brain aneurysm

- or 2. Works with a population affected by brain aneurysm, brain injury, or dementia during her course of study
- or 3. Engages in public outreach addressing brain aneurysm, brain injury, or dementia awareness and prevention
- or 4. Is interested in a career working with populations affected by brain aneurysm, brain injury, or dementia after graduation from the program.

We thank all those that participate / donate to the KAT-Walk & Karo-5K for Brain Aneurysm Awareness and for your continued support of our efforts to increase Brain Aneurysm Awareness, education, and Research. More at: www.MaineBA.org
